

B.1

MOTION ON NOTICE

1. Back Deck and Patio Covers

MOVER: Councillor Tony Tang

SECONDER: Councillor Raymond Louie

WHEREAS

1. Vancouver is a city with a mild coastal climate, with an average of 166 days of precipitation annually;
2. Residents in Vancouver enjoy various activities outdoors in their backyards and want to extend their enjoyment beyond days of dry weather;
3. Residents in Vancouver have expressed interest in weather protection covers for their back decks and patios;
4. The City of Vancouver currently does not allow covers for back decks or patios without including the covered area as part of the floor space.

THEREFORE BE IT RESOLVED THAT Vancouver City Council direct City staff to review and recommend appropriate by-law changes concerning a possible increase in covered area for back decks and patios in residential single family zones.
