Re: rezoning application for 2678 West Broadway

Dear Mayor, Councillors and Ms. Yip,

We are writing in support of the rezoning application by Pear Tree to accommodate relocation of Madrona School. Our son will be attending Madrona school in the Fall and we are familiar with the school and the work that it does. We have also visited the proposed new location at Pear Tree.

By all accounts Madrona is one of the best private schools in Vancouver doing an outstanding job but obviously in extremely cramped quarters.

Relocation will give the school a chance to expand and will surely benefit its pupils. When we visited Pear Tree we thought it the perfect place for the school, and an excellent use of what seems like currently underutilized space.

We hope that you will approve the application.

Sincerely,  
Nicholas Swindale
