Subject: Zoning and Development Bylaw to Accommodate Lounges as Accessory Use to Breweries and Distilleries

Dear Sirs/Mesdames:

I am writing you today in support of amending Zoning and Development By-Law to allow lounge use accessory to a Brewing or Distilling use.

The burgeoning craft brewing and distilling industry supports a key demand of local residents: to purchase merchandise from, and thereby support, local businesses.

Vancouver residents increasingly recognize the quality products being produced by local breweries and distilleries, but unfortunately have to retire to their homes to enjoy these products beyond a small sample. Allowing lounges will encourage a sense of community around these new businesses, as well as award local producers a much-needed revenue stream, encouraging further expansion of this new niche.

Additionally, our rapidly increasing local brewery and distillery scene has drawn the attention of visiting tourists, many of whom are dismayed to learn that the extent of their sampling is limited to a single sample

per day. Adopting an amendment that will will erase this restriction, and bring Vancouver breweries and distilleries more inline with businesses in other jurisdictions will be extremely beneficial to local businesses and residents.

I trust that you will consider the interests of both local businesses and residents when you take this matter under consideration on July 9th, and vote in favour this amendment.

Yours truly,
