## **UNFINISHED BUSINESS**

### **1. Transit Referendum**

At its meeting on June 25, 2013, Vancouver City Council agreed to refer further discussion and decision on this item to the next Regular Council meeting on July 9, 2013, to allow for the receipt of further information from the TransLink Mayor's Council.

MOVED by Councillor Affleck  
SECONDED by Councillor Ball

#### **WHEREAS**

1. The City of Vancouver believes strongly in an efficient, effective transit system;
2. The Premier of British Columbia recently announced that a referendum on Metro Vancouver transportation funding will be held no later than the Civic Election of 2014.

THEREFORE BE IT RESOLVED THAT the City of Vancouver Directors to the Metro Vancouver Board ask Metro Vancouver to report back on:

- 1) Transportation and funding issues in Metro Vancouver that need to be included in a consensus position, possible funding options and mechanisms, and impediments or issues that need to be identified or resolved beforehand;

- 2) The potential economic, social and environmental ramifications of referendum results on Metro Vancouver;
- 3) Who would be responsible for developing transportation priorities for Metro Vancouver;
- 4) How campaigns for the referendum will be funded and estimated costs;
- 5) The possible roles of Translink, its Board, the Mayor's Council, Metro Vancouver and its Board, and Municipal Councils in a referendum process;
- 6) Clarification of the rules by which the referendum would be held, how the outcome would be determined and whether the results would be binding on all parties involved.

amended

MOVED by Councillor Meggs

THAT the motion be struck and replaced with the following:

WHEREAS

1. The City of Vancouver believes strongly in an efficient, effective transit system;
2. The Premier of British Columbia recently announced that a referendum on Metro Vancouver transportation funding will be held no later than the Civic Election of 2014;
3. The Provincial Government has turned down an appeal by the TransLink Mayors' Council to reject a referendum in favour of an alternative consultative process.

THEREFORE BE IT RESOLVED THAT the City of Vancouver:

1. Affirms its support of the Mayors' Council position opposing a referendum; and
2. Calls on Metro Vancouver, through its Transportation Committee, to endorse the Mayors' Council position, and to develop a regional position on the referendum process to clarify:
  - a. The legislation governing such a referendum and how it might apply in this case;
  - b. The measures available to Metro municipalities to ensure that administrative and other costs of any referendum are borne by the Province;

- c. The campaign rules that would be necessary, including spending limits, contribution limits and financial disclosure requirements, as well as how these issues would be regulated; and
- d. Options available to Metro Vancouver municipalities to ensure voters have a true opportunity to make their wishes known in the event no agreement is possible with the Province on the wording, administration or funding of a referendum.

CARRIED  
(Councillors Affleck and Ball opposed)

- B. THAT Council authorize payment of \$239,760, to the Collingwood Neighbourhood House Society for the delivery of recreational programs and operation of the Collingwood Gymnasium for the period January 1, 2013, to December 31, 2013. Source of funds is the 2013 Operating Budget.

CARRIED UNANIMOUSLY AND  
BY THE REQUIRED MAJORITY

**4. Debenture Program - 2013  
June 26, 2013**

MOVED by Councillor Louie

- A. THAT Council authorize the issuance of up to \$110 million City of Vancouver debentures, utilizing borrowing authorities approved as part of the 2011 and 2012 Capital Budgets and through special approvals as follows:
- |                                      |                       |
|--------------------------------------|-----------------------|
| • Waterworks                         | \$ 13,000,000         |
| • Sewers & Drainage                  | \$ 38,000,000         |
| • Public Works                       | \$ 24,000,000         |
| • Parks & Recreation                 | \$ 25,500,000         |
| • Public Safety & Civic Facilities   | \$ 8,500,000          |
| • Neighborhood Energy Utility System | <u>\$ 1,000,000</u>   |
|                                      | <u>\$ 110,000,000</u> |
- B. THAT, until the borrowing authorities established pursuant to "A" above are exercised, the Director of Finance, in consultation with the Mayor, the Chair of the City Finance and Services Committee, and the City Manager, or a majority of them, be empowered to act and instruct the City's Fiscal Agent to proceed with the issuance of the debentures, and to set the interest rate, price, and other terms and conditions on which the debentures will be issued by the City.

It should be noted that once the Director of Finance instructs the Fiscal Agent to offer the debentures in the public market, Council will be required to enact the appropriate borrowing by-law to authorize issuance of the debentures.

C. THAT the split between Plebiscite-approved and Council-approved borrowing authorities approved in the 2012 Capital Budget be corrected to the following:

- Plebiscite-approved borrowing authority \$60.8 million;
- Council-approved borrowing authority \$34.2 million,

in accordance with the detailed project funding approved by Council with no change to the total 2012 Capital Budget borrowing authority of \$95.0 million.

CARRIED UNANIMOUSLY

**4. Establishing More Stringent Guidelines for Cell Towers in Vancouver**

MOVED by Councillor Carr  
SECONDED by Councillor Ball

WHEREAS

1. Telecommunications infrastructure is expanding within Vancouver's residential neighbourhoods and a Telus cell tower permitted to be erected near 49th Avenue and Oak Street has met with significant public resistance and concern over potential health impacts;
2. Although the "Telecommunications Infrastructure in the City of Vancouver" guidelines passed by Council on February 13, 2013, require that maximum radiofrequency (RF) emissions comply with Health Canada's Safety Code 6, the City of Toronto adopted a Prudent Avoidance Policy for new telecommunications towers based on Toronto Public Health's assessment of available health, environmental and technical data, its conclusion that there are uncertainties in the science regarding the potential health risks associated with long-term exposures to RF, and its recommendation that maximum RF exposure levels for the general public be 100 times below Health Canada's guidelines;
3. RF exposure standards 100 times below Health Canada's Safety Code 6 standards have been established in Paris, Italy, Switzerland, Russia, and China;

4. In 2005, Vancouver's Board of School Trustees amended their "Incompatible Land Uses Near Schools" policy to include "any installation of cellular antenna within 305 metres (1,000 feet) of a school, noting "the standard of diligence that the Board must assume in protecting students", that "there should be global caution exercised on the effects of electromagnetism until it is conclusively proven to be harmless" and that "in the past, little consideration was given to the potential and cumulative ill effects of other products such as coal dust, asbestos or tobacco products, and the passage of time has shown that lack of consideration has been a mistake";
5. Although, when a proposed cell tower is under 15 metres, Industry Canada waives the requirements that a cellphone provider that wants to build a cell tower must inform the local municipality and the neighbours and set up a forum for them to ask questions and make comment on the proposal, the Federation of Canadian Municipalities has advocated that cellphone providers consult on all cell tower proposals, regardless of size.

THEREFORE BE IT RESOLVED THAT the City of Vancouver adopt a Prudent Avoidance Policy for new telecommunications towers that:

1. Recommends that exposure to radiofrequency emissions for the general public be kept to 100 times below Health Canada's Safety Code 6 guidelines;
2. Is consistent with the Vancouver School Board's "Incompatible Land Uses Near Schools" policy to avoid installation of cellular antenna within 305 metres (1,000 feet) of a school, and that this also include 305 metres (1,000 feet) of a registered childcare facility;
3. Recommends that the city and neighbours be consulted by cellphone providers regarding a proposal to build a cell tower of any height, not just towers over 15 metres.

referred

REFERRAL MOVED by Councillor Louie  
SECONDED by Councillor Stevenson

THAT the motion entitled "Establishing More Stringent Guidelines for Cell Towers in Vancouver" be referred to staff for analysis and to write a memorandum with recommended actions.

CARRIED UNANIMOUSLY

## 5. Review and Enhancement of Granville Entertainment District

MOVED by Councillor Affleck  
SECONDED by Councillor Ball

### WHEREAS

1. The City of Vancouver is concerned about the level of engagement of residents, with each other, and with the various levels of government;
2. The Granville Entertainment District's history is vibrant and is a focal point for fun and entertainment in the city;
3. In 2010 the District received a major renovation that saw many beneficial aspects created that enhanced the area; however, other aspects, including obtrusive parking bollards, are considered to be less positive for the area;
4. The District is successful at attracting late night patrons, but is less successful at becoming a dining destination.

THEREFORE BE IT RESOLVED THAT staff consult with the Downtown Vancouver Business Improvement Association and other pertinent stakeholders to provide an update on the Granville Entertainment District with a view to:

- 1) Reviewing the parking situation on the street;
- 2) Providing options for enhancing the dining experience on the street, including allowing greater use of the street for outdoor dining by neighboring food establishments;
- 3) Reviewing other potential upgrades and opportunities for the area.

referred

REFERRAL MOVED by Councillor Deal  
SECONDED by Councillor Louie

THAT the motion be referred to staff with direction to provide a memorandum to Council reviewing the process used to select a design team to create the \$21-million, national award-winning Granville Entertainment District, the cost of construction and any feedback received from stakeholders regarding the redesigned street.

## 6. Transit Plan for the Homeless

The following motion contains amendments to the original Motion on Notice.

MOVED by Councillor Meggs  
SECONDED by Councillor Jang

WHEREAS

1. Access to transit is vital for homeless people to travel to shelters or to critical appointments;
2. A very limited number of transit tickets, paid for by the Provincial Government, have been available through shelters and service providers;
3. The homeless normally do not have the resources to pay transit fares and by necessity have often been forced to travel without proper fare payment;
4. The implementation of the Compass card system will trigger a new urgency to recognize and manage the current informal arrangements.

THEREFORE BE IT RESOLVED THAT the City of Vancouver endorse the call of the Vancouver Urban Core Community Workers' Association (VUCCWA), a coalition of organizations providing shelter, outreach and other services to the homeless, to TransLink to establish a task force with representation of Provincial Ministries responsible for public transit, health and housing and VUCCWA to develop a Regional Homeless Transit Plan that makes the system accessible to homeless people while minimizing costs to TransLink;

BE IT FURTHER RESOLVED THAT the City of Vancouver urge Metro Vancouver and other member municipalities to endorse the development of a Regional Homeless Transit Plan, including consideration of a reduced fare option for individuals on income assistance along the lines of those now in place for persons with disabilities and low income seniors.

referred

The Mayor noted requests to speak to this item had been received.

REFERRAL MOVED by Councillor Carr  
SECONDED by Councillor Deal

THAT the motion be referred to the Standing Committee on City Finance and Services meeting on Wednesday, July 10, 2013, in order to hear from speakers.

CARRIED UNANIMOUSLY

#### NOTICE OF MOTION

##### 1. Expand Patios in Vancouver

Mayor Robertson submitted the following Notice of Motion. The motion will be placed on the agenda of the Regular Council meeting to be held on Tuesday, July 23, 2013, as a Motion on Notice.

#### WHEREAS

1. Commercial patios are a popular street activation, especially in the summer;
2. The City has two categories of patio permits, large and small, with large patios typically licensed, and small patios typically a few tables and chairs;
3. There were 317 large patio permits, and 260 small patio permits, in Vancouver in 2012;
4. The hours of operation for large patios are 7am to 11pm;
5. The last review of patio hours and permits was in the lead-up to the 2010 Winter Games, and there has been a consistent demand for more patios in public spaces like plazas and pedestrian-oriented streets.

THEREFORE BE IT RESOLVED THAT staff work with industry stakeholders and Business Improvement Associations to identify near-term actions that are revenue neutral to increase patio hours and space for establishments with a track record of good behaviour;

BE IT FURTHER RESOLVED THAT staff report back to Council with recommendations for longer-term policy changes that improve the patio experience, including ways to increase space, extend hours, relax fencing restrictions, provide patio options throughout Vancouver, and improve the efficiency of the patio permit process.
