Subject: Public Hearing re 7249 Cypress Street

To Whom it may concern:

I regret that I will not be able to speak on Tuesday, 24 September 2013, at the public hearing regarding the re-zoning of 7249 Cypress Street. Due to a death in my family I shall out of the province.

Had I been present, I would have spoken in favour of the re-zoning as it reflects the values that the Parish of St Faith sought in a purchaser of our property.

With my best regards,

Please note that I am in support of the proposed re-zoning at the above address. It makes perfect sense to transition from a small neighborhood commercial area to slightly higher density on this site. I live in the Kerisdale and often dine at Senova across the street so I am very familiar with the area. This is an attractive development that, in my opinion, will not have any adverse effects on the neighborhood in terms of traffic or built form. I urge the city to approve it. Regards,

Jim McPherson

Subject: 7249 Cypress - Application

To whom it may concern:

I am writing to show my support for the Airey Group's application at 7249 Cypress. As a resident of the area, I feel that lot is unusable for anything more than what Airey has planned. I also support that Airey is architecturally based and all of their projects' facades (in my opinion) end up enhancing their neighborhoods aesthetically.

Kindest regards,

James Paleologos
