Hello mayor & council,

I live in the Mt. Pleasant neighbourhood at s 22(1) Personal and Confidential and I am in support of the proposed building at 2290 Main St.

It is located along a main bus route, walking distance from the Main St. skytrain station, and will be close to the future Broadway skytrain line and future streetcar line. This neighbourhood can support density and I believe this attractive building will be a positive addition to the area.

Regards,

Carsen Chant
