

MOTION ON NOTICE

5. Membership of Civic Asset Naming Committee

MOVER: Councillor Reimer

SECONDER:

WHEREAS

1. On February 29, 2012, Council established the Civic Asset Naming Committee in order to better incorporate public input into the process of naming new streets and other civic assets;
2. A significant number of requests received from the public relate to individuals with significance for specific cultural communities;
3. The City of Vancouver has declared a Year of Reconciliation which is intended, in part, to provide greater recognition and visibility to the history of aboriginal peoples;
4. Non-European immigrants and Aboriginal people are under-represented in the names of existing streets and civic assets;
5. The current [Terms of Reference for the Civic Asset Naming Committee](#) do not ensure representation from cultural communities or aboriginal peoples.

THEREFORE BE IT RESOLVED THAT the Terms of Reference of the Civic Asset Naming Committee be amended to include:

- Two appointees from the City of Vancouver's Multicultural Advisory Committee, and
- Two appointees from the City of Vancouver's Urban Aboriginal Peoples Advisory Committee.
