SUBJECT: 720 - 730 East Hastings Street - CD-1 Rezoning: Update on the Status of Rezoning Applications in the Downtown Eastside during the Local Area Planning Process (LAPP)

This memo provides Council with an update on all rezoning applications under active consideration in the Downtown Eastside (DTES), per the *Interim Rezoning Policy during the Preparation of the Downtown Eastside Local Area Planning Program (LAPP)*. The *Interim Rezoning Policy*, adopted on March 28, 2012, establishes the conditions under which new rezonings will be considered while the LAPP is underway. In addition, the policy requires that an update on active rezoning applications be provided to Council when they consider new applications, as per below:

Any rezoning applications that proceed to Council will include an up-to-date accounting of the status of any and all applications under active consideration in the DTES. This allows Council to better understand the pace of development taking place.
(under Application and Intent, pg 2)

To meet this requirement of the policy, the table below summarizes active rezoning applications currently under consideration in the DTES.
