Subject: Oakridge Proposal

Dear Mayor and Council:

My name is Gavin Chenkis and I am a current student at BCIT. My family has a close connection to the Oakridge community as my father, Boris Chenkis, is the owner of After Five Fashion - which is a long standing tenant of the Oakridge mall.

On behalf of my family and I, we strongly believe that this project should move forward. On a personal note, I am extremely excited about the future improvement to the public realm, the housing diversity and most importantly, as a student, I am thrilled for the increase in employment opportunities! We 100% support this project.

Many thanks,

Gavin Chenkis

Re: Oakridge Site Redevelopment - Public Hearing Comments

Mayor and Council:

As a local resident and homeowner in the Riley Park area, I would like to express my support for re-development and increased density at the Oakridge site. A well-planned, high-density, mixed-use development with a variety of amenities is appropriate for such an urban location with a rapid transit station. This development will provide increased shopping opportunities in the area, as well as additional housing options. Although the proposed building heights are greater than the current surrounding areas, and there will be disruption during construction, this should not be a reason to oppose a major project with long-term benefits to the wider community. Thank you.

Sincerely,

Eric Aderneck
