Mayor and councillors,

I live on Prince Edward street which is only a few blocks away from the proposed project.

I have grown up in this neighbourhood my whole life. As a high school student, I attended Vancouver College which is near oakridge centre. On our lunch breaks and after school, my friends and I would frequent the mall as a place to meet, have fun, and watch movies.... So I was disappointed when the theatres closed a few years ago.

As a young person, I wish to stay close to my family. I can only do that if there is affordable housing available in Vancouver.

My past experiences and my future endeavours are the reasons why I support this project. With this project I will be able to stay close to my family because it is important to me. With the diverse services and resources that will become available with this project, I know the neighbourhood will be renewed and be more vibrant than ever before.

Thank You,

- Gurdeep Beesla
