we are owners at s. 22(1) Personal and Confidential Provided the cost to renters remains as it is presently we are in favor of the rezoning proposal for the above parcel. If there is any increase to renters we object.

Subject: Heather Place Trees

Mr. Mayor and Councillors,

I did attend some months ago the initial and only open house for the public regarding the proposed redevelopment of the Heather Place housing area.

It would appear that the 6 and 10 story buildings are going to be built. I oppose those heights and said such in written form at the meeting. I cannot imagine I was alone in this objection. Five story construction is high enough , given the anticipated increase in car traffic in the area which includes the Heather Street Bikeway. In 2008 myself and a few others petitioned City Hall for a 'right-in-right-out' at 12th and Heather and two speed bumps. Happily all that was done.

I am writing to you now to ask you to ensure that as many of the present wonderful mature trees between W13th and W 14th and between Heather and Willow Streets will be saved. Will you as a mayor and council please save the natural beauty we have in our neighbourhood ?

Respectfully,

Terry J. Love
