To whom it may concern,

I am a resident of s. 22(1) Personal and Confidential Vancouver BC. Unfortunately I won't be able to attend the public hearing tomorrow May 15th at 6:00 pm. With regards to the renovation of our apartments, I would say that this is a good idea, It would be nice to live in a better place. I support the said project. The Metro Vancouver Housing team gave us an ample time to ready ourselves to this said project. and they are all doing their best to transfer us to different places before the renovation. In my experience as a single parent and a self-employed I asked for their help. I told them my situation that I couldn't leave the area because this is where my work is. And this my community! Last week I got a call and Sharon the manager told me that there is a suite for me that suits my need! I was so happy when i went to check the place. I couldn't thank them enough. The Metro Vancouver Housing team are very supportive, the look after our needs. And Yes, I SUPPORT the renonation of our community!

Sincerely,
