Dear Michelle McGuire,

Re: 5805 Wales Street Vancouver B.C.

This site has been left empty for a long time and we needed this kind of project in our neighbourhood. I am in favour of this kind of project and I hope you can make this happen.

Yours truly,

Howard Or

Dear Mayor and Council:

Re: Rezoning of 5805 Wales Street (Avalon Dairy)

We have lived at s. 22(1) Personal and Confidential for the last 25 years. Our children grew up here and now have children of their own.

Approving the Avalon project will allow for young families to move into the neighbourhood and use the services of the great community center and schools. The project looks very beautiful and fits into the area very well. We are very happy to know townhomes will be built here.

We hope you will approve this project and have our 100% support.

Yours truly,
