Perhaps you recall my meeting with you a bit over a year ago regarding the lack of progress on phase 3. At the time, it was suggested that the planning would start in Q4 2013.

I wonder if the planning and re zoning will proceed now that the west end plan is complete and Marpole nearly so?

With the ribbon of condos along Cambie coursing into a river of clearly inappropriate isolated density, the time for action on this is nigh, if not past.
