Subject: 450 Gore Rezoning Application

Dear Mayor & Council,

I am writing you in support of the rezoning application for 450 Gore. I've been aware of the project since the public open house and feel this will be a great addition to the strathcona neighbourhood. New secured affordable rental housing is much needed as the majority of the housing stock in the neighbourhood is old, in poor condition and doesn't give young Vancouverites like myself many options. I love Chinatown/stratcona and this will give me an affordable option in my desired neighbourhood. Please approve this application as it has so many benefits to the City and community as a whole.

Regards,

Ross Sabiston
