Subject: 450 Gore Notice of public hearing

All,

I am writing to express my support for the proposed development at 450 Gore Avenue. I support the zoning change to allow for the development to proceed. I feel there is strong need for " for profit " market housing in the area and this project will address that need. The proposed design is refined and respectful to the neighbouring built environment and I believe will make a positive contribution to the neighbourhood.

regards

Lance Burger
