Hello,

I would like to express my support of the proposed development in Kerrisdale at 2095 West 43rd Avenue by Bogner Development Group.

I am a pharmacist and owner of Kerrisdale Pharmacy since 1990 and past president of the Kerrisdale Business Improvement Association. I feel this development will be a welcomed addition to the village of Kerrisdale providing a number of quality apartment units in an aesthetically beautiful building.

Please contact me if you have any questions.

Sincerely,
Colin Holyk

Dear Mayor and Council,

At a meeting of the Kerrisdale Business Association on August 5, 2014, Leon Bogner further explained his current project including new plans and application for rezoning regarding the redevelopment of the property at the northeast corner of West 43rd Avenue and East Boulevard.

Following his most informative and candid presentation at the meeting, the KBA Board voted unanimously to support this new concept for the site whose main feature includes a reduced number of stories from the previous concept.

We look forward to the new building and the new residents there who will call Kerrisdale Village 'home'.

Sincerely,

Terri Clark
