Subject: 2095 West 43rd Avenue

I'll be out of the country and miss the February 24 public hearing. Please pass onto Council, ARKS support for this application. The height of four stories is consistent with the ARKS Vision and is the result of Planning and Developer reducing the height of the original proposal in response to neighbourhood concerns.

Jim Hall, Chair, Arbutus-Ridge, Kerrisdale, Shaughnessy (ARKS) Vision Implementation Committee
