Good afternoon,

I own a townhouse at s. 22(1) Personal and Confidential and although not opposed to development at this location, I am opposed to any spot zoning to allow a development that will destroy the views that me and my neighbors currently enjoy from our homes. Who will compensate us for the loss of views and thus potentially the loss of value to our property?

I purchased my townhouse last year at the above address and one of the reasons I chose this location was because of the views of downtown and the mountains.

Best regards,

Rob Yates
