Dear Sirs:

I would like the above-mentioned site to be rezone from C-2 to CD-1 as I have lots of older clients want to rent an aptment there if they are affordable rental housing units.

Please distribute this message to the Council and post it on the City's website.

Thanks!

To Honourable Mayor,

I would like to provide my opinions on the potential rental unit development at 5648-5678 Victoria Drive. I am a psychiatric nurse who has recently completed my education and entering the work force shortly. I feel there a lack of rental units in the Victoria and Killarney area. I have grown up in this area and would like to continue residing here as I enter the next chapter of my life. I support the development of these rental units and appreciate the effort on behalf of the City of Vancouver in making this much needed addition to the community possible.

Thank you,

Loveleen Bhandal

Having grown in the Victoria drive neighborhood I fully support the proposed development being built at 5658 Victoria Drive because the city of Vancouver is in serious need of additional rental units and this development will help revitalize the Victoria Drive neighbourhood.

Hello, my name is Rucku and I am in favour of the proposed development of 5648-5678 Victoria Drive, Vancouver. This neighbourhood is very dear to my heart since I lived in the area from 1989-2002. I also attended David Thompson Sec School.

I'm currently an employee with the Federal Government in a Law Enforcement capacity. As a Generation Y adult affordable housing in this city has become almost impossible. This project would provide that opportunity for young adults starting their careers and families to rent it purchase a home within a reasonable price. I feel it would be a right fit for this neighbourhood and demographic.

I hope Vancouver city council votes in favour for this development.

Thank you for your time.

Sincerely,

Rucku Cheema

Hello, my name is Jessie and I am in favour of the proposed development of 5648-5678 Victoria Drive, Vancouver. This neighbourhood is very dear to my heart since I have grown up in the area.

I'm currently an employee with the Fraser Health Authority as a health care professional. My new husband and I are finding affordable housing in this city virtually impossible. This project would provide the opportunity for young adults starting their careers and families to rent or purchase homes within a reasonable price. I feel it would be a right fit for this neighbourhood and demographic.

I hope Vancouver city council votes in favour for this development.

Thank you for your time.

Hi there,

My name is Ms. Aman Dhatt and I am in favour of the proposed development of 5648-5678 Victoria Drive, Vancouver.

I have been a member of this community for over 25 years and feel as though this development would be a great fit for this neighborhood.

I'm currently a high school teacher with the Surrey School District. Affordable housing is difficult to find and more projects like this one are needed in the community.

I hope Vancouver city council votes in favour for this development.

Thank you for your time.

Sincerely,

Aman Dhatt
