To Mayor and council,

I would like to take the opportunity to support the project being proposed at 3819 Boundary Rd. I live in the area, and I believe that this area is in need of rental housing. I believe having rental housing on an arterial road such as Boundary to be the ideal spot for such housing. Please support this application. Thank you.

Nick

Hello,

I like to express my pleasant feeling about the upcoming new project at 3819 Boundary, because it will absolutely bring more affordable rentals to needy families.

As the community is growing in our area, I think give more smaller units to people will be a great choice.

Thank you very much,
Cindy Lo

Hello,

I am writing this email in favour of the new upcoming project at 3819 Boundary.

I feel that we, the citizens, really need more rental units in the area.

This will be extremely convenient as it is closely located to the skytrain

Thank you very much,
Emily Leung
