

Re Rezoning @ 54th + Ken

Please consider my request re  
6 story development plans - We have  
lived in this area since 1959 - It's  
become so congested that it's become unbearable  
to citizens like ourselves - Too much traffic  
no consideration re services Trying to cross @  
walk sign - re 54th + Lynn left turns are  
dominating everything there - re unable to enter  
coming buses - no consideration re skate  
boarders using sidewalks as well as bikers  
are now using sidewalks - wheelchairs persons

are pushed onto the boulevards -  
Secondly when Champlain Mall was planned  
all the uses re not accepted! why now.  
54th + Ken is a very very busy street -  
noisy! really not suitable for young families  
no yard space -

Please downsize the development  
as we feel it's too crowded & cannot handle  
ones

more problems.

Thanks for your help
