TO: Vancouver City Council
FROM: Civic Asset Naming Committee
SUBJECT: Street Naming - Extension of West 35th Avenue

RECOMMENDATION

THAT the new street running from Cambie Street to the lane between Cambie and Ash Streets, shown in heavy black outline on the graphic attached as Appendix A, be named West 35th Avenue, as it is an extension of the existing street.

FURTHER THAT the Director of Legal Services be instructed to bring forward the appropriate amendment to the Street Name By-law.

CITY MANAGER'S COMMENTS

The City Manager submits the foregoing recommendations for consideration.

COUNCIL POLICY

Council uses the Street Name By-Law, No. 4054, to name and regulate public roads in the City of Vancouver. The Civic Asset Naming Committee was established by Council on February 29, 2012, and re-established on December 16, 2014. The Committee approves names to be added to the Names Reserve List based on input from staff regarding compliance with naming policies and guidelines and also recommends names to Council for new streets and roads, development areas, pedestrian and cycling infrastructure, and other City-owned assets and facilities (excluding Parks and Library assets).

PURPOSE

This report seeks approval of naming a new public street located between Cambie Street and the lane running between Cambie and Ash Streets as "West 35th Avenue", as it is an extension of the existing street.

BACKGROUND AND DISCUSSION

At its meeting on March 30, 2015, the Civic Asset Naming Committee were advised of a future new street to be created which would extend West 35th Avenue west from Cambie Street to the lane between Cambie and Ash Streets. The Committee agreed to recommend to Council that the new street be named "West 35th Avenue", in order to provide for a continual street name.

This new portion of "West 35th Avenue" was dedicated to the City as road upon the deposit in the Land Title Office of Plan EPP47247 on May 8, 2015.

FINANCIAL IMPLICATIONS

There are no financial implications.

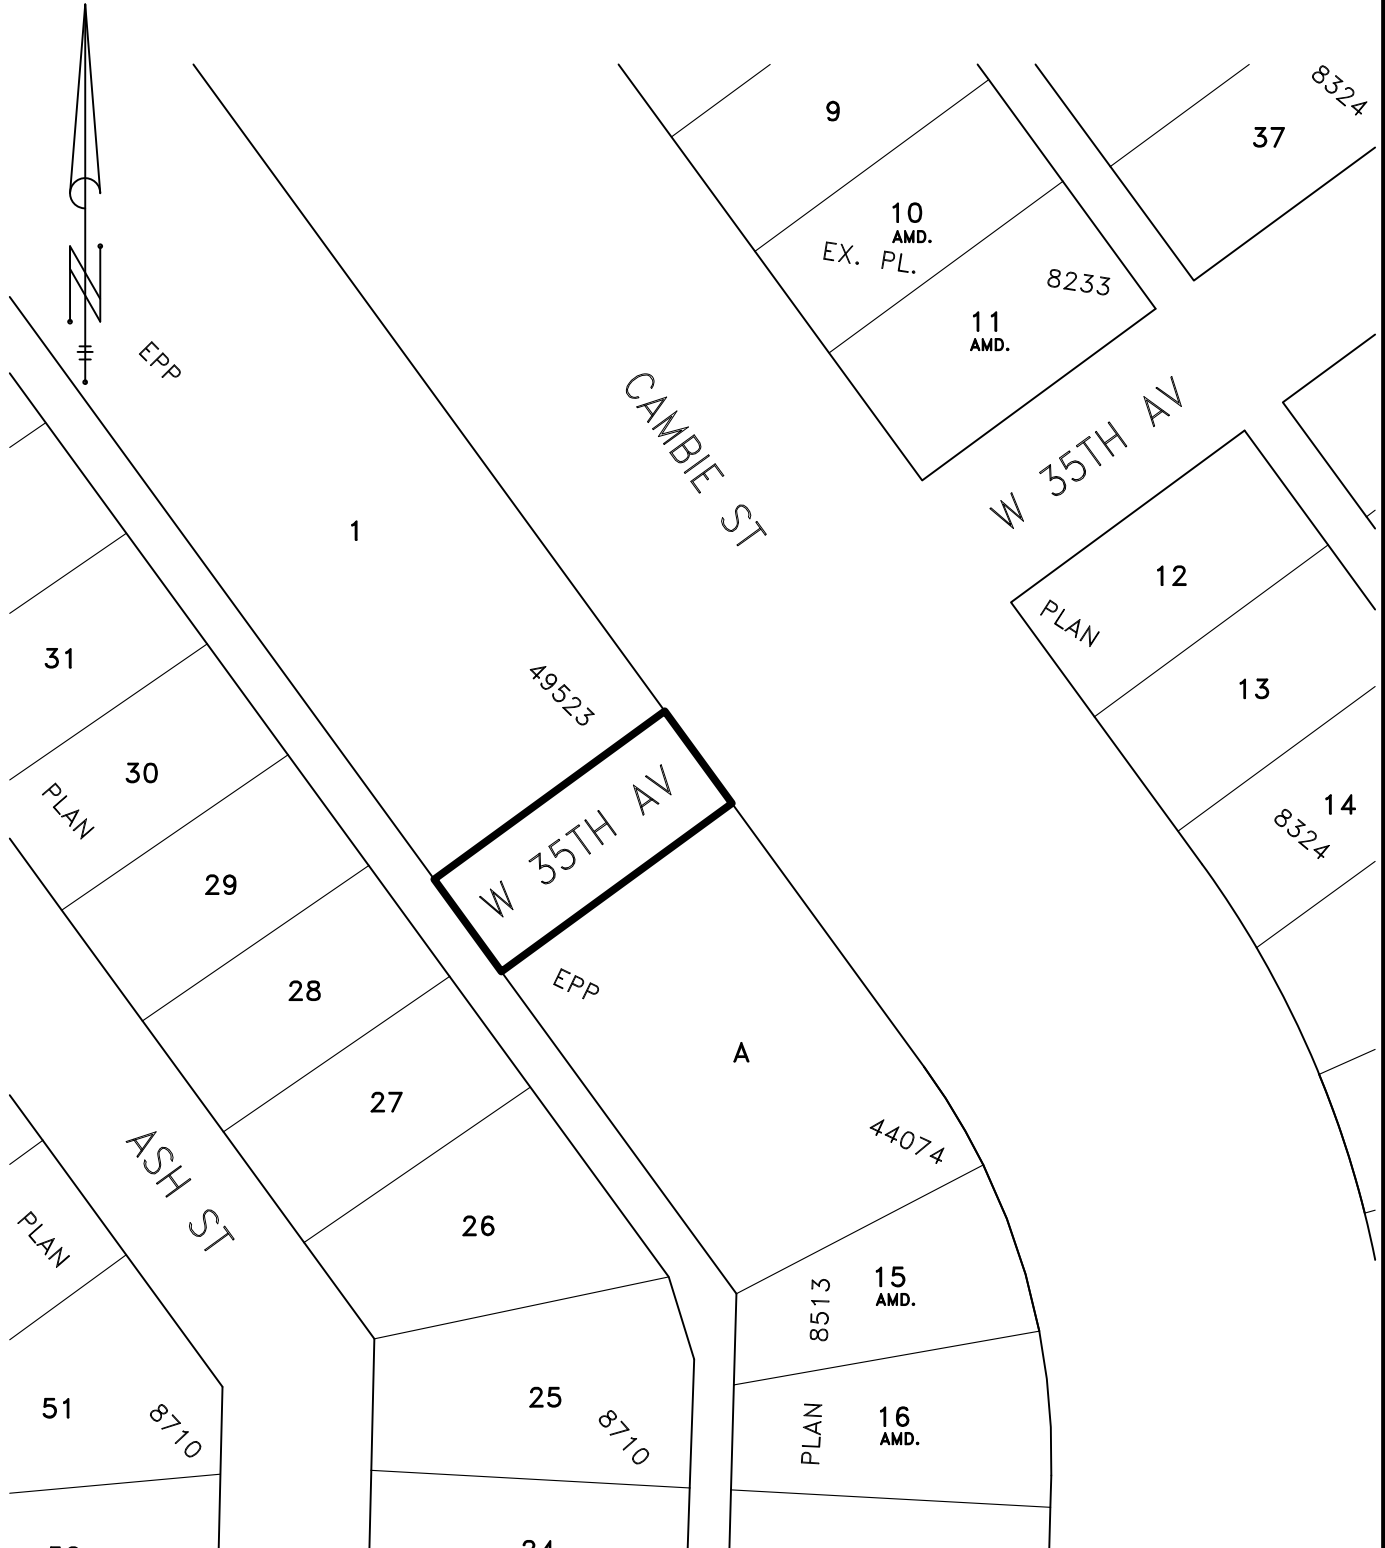

CONCLUSION

The Civic Asset Naming Committee recommends Council approve the name "West 35th Avenue" for the new public street shown on the attached Appendix A, as it represents an extension of the existing street of the same name.
