Subject: Opposition to 1755 West 14th Avenue

Dear Mayor and Council,

I am writing to you to express my opposition to the development of 1755 West 14th Avenue. I understood that one of the reasons for densification for the city was to create more affordable housing for families. This development is actually new market rental housing units and the addition of two new rental units to the existing building. Since current rental rates are so high how does this meet the definition of affordable housing?

Thank you for your consideration.

Sincerely,
Cara Foxton
