The following contains amendments to the original motion, which were accepted by the Committee.

*MOVED by Councillor Louie
THAT the Committee recommend to Council*

WHEREAS

1. The demand for seniors facilities is expected to increase city-wide as the population ages and East Vancouver is currently underserved and will continue to be underserved with respect to seniors’ facilities, despite the addition of the new facility in Southeast Vancouver adjacent to the Killarney Community Centre;

2. City staff have previously indicated that there is merit in pursuing the goal of developing additional new seniors facilities as it would play an important role in addressing this growing demand;
3. The optimum solution would involve a facility in an accessible neighbourhood centre location;
4. The New Killarney Seniors Centre had a successful matching funds financial model that leveraged a city investment of \$2.5 million and secured Provincial and Federal government contributions totaling \$5 million.

THEREFORE BE IT RESOLVED THAT Vancouver City Council direct staff to undertake exploratory work relating to Capital budget requirements, potential funding sources including matching funding from the Provincial and Federal governments, governance models, building design and site selection with the goal of developing a new seniors centre in South Vancouver Sunset area and report back at the earliest opportunity; and

BE IT FURTHER RESOLVED THAT Vancouver City Council direct staff to work with the Park Board, the wider community in South Vancouver, particularly the seniors groups in the Sunset area, and a representative from the City's Seniors' Advisory Committee, for their input.

CARRIED UNANIMOUSLY (Vote No. 01422)

Planning and Development Services staff reviewed the report and responded to questions.

The Committee heard from two speakers who were in general support of the recommendations, and provided additional comments and suggestions.

- I. THAT Council direct staff to undertake a traffic management study as part of early-implementation of the Grandview-Woodland Community Plan for the ‘triangle’ area bordered by Broadway, Nanaimo, Grandview Highway and Semlin.
