Dear Sir or Madam,

I do not support the proposal for this project because I believe it does not have enough underground parking lots, only 37 parking spaces for 50 rental units. It may happen like this, tenants of this building may park in the nearby residential streets to disturb the neighborhood and occupy the street parking spaces designated for neighbors.

Regards,
Jian GU

To whom it might concern,

I am living "s.22(1) Personal and Confidential". I think all these developments along Cambie and King Edward is a way to high to block the views. The population in the area will be too crowded and not enough public facilities for future circumstances. Such as schools, daycares, and community centres.

Sincerely,

Wilson Hui
