Subject: Thanks to staff for the decision to reset the TMH process

Dear Mayor and Council,

I have just withdrawn from the Speaker List at tonight's hearing on the Planning Department's proposals around TMH after learning that the staff had made the very sensible decision to amend the recommendation coming to you at the hearing. I understand from indirect sources that staff will recommend establishing TMH zoning provisions but hold back from designating the Copley Community Orchard site from such zoning. I know that Council normally gives careful consideration of staff recommendations and anticipate that you will not be considering Copley Orchard for rezoning tonight.

I look forward to meeting with you sometime in the future to show you around the site and discuss its future.

All best wishes,

Helen Spiegelman

Subject: Re: postponement of zoning decision at Copley Orchard site

Dear Mayor and Councillors -

I have just learned that the decision to re-zone the Copley Orchard site, and other proposed sites for installation of temporary modular housing, has been postponed from tonight's hearing, and that area residents will be consulted before any future decisions are made. I am delighted, relieved, and thankful that you have listened to our concerns - and look forward to being actively engaged with this process as it moves forward.

thank you, and Happy Holidays -

Rudi Leibik
