It wouldn't matter what myself & the public have to say about the above. You all don't listen to us or reply ever to our emails & phone calls. A good example is the disastrous engineered 2 way bike lane for one block only rammed down us without consultation in the 1500 block Comox from Nicola to Cardero Street. You've proven over & over you don't give a dam about our well being/safety since April/13. Next election it's time to throw you all out on your ears. The worst council we've ever had with no improvement as promised in your second mandate.

Sincerely,
Blake V.L. Elliott Jr.
