Subject: Text Amendment 4066 MacDonald Street and 2785 Alamein Avenue

I am unable to attend the public hearing this evening on the text amendment for 4066 MacDonald Street and 2785 Alamein Avenue. My partner, Darwin Hanna, and I own two office properties at s.22(1) Personal and Confidential in a mixed use building of commercial space on the ground level and two residential units on the second floor which is located directly across the street from the existing garage and house at 4066 MacDonald Street and 2785 Alamein Avenue. We write to fully support this text amendment. The proposed two commercial units and eight residential units would be more in keeping with the commercial buildings on the corner of MacDonald and Alamein and would be similar to our mixed use building across the street on Alamein. In addition, we note that this area has great transit on MacDonald Street and a great elementary school on Trafalgar and Alamein Avenue making it a perfect location for denser housing for families who would like to live in the neighbourhood. Thank-you for your consideration of our submission, Cynthia Callison.
