Good evening,

I have lived in the Killarney area for almost 30 years and I have been connected to Fair Haven via my church for almost 10 years. I have friends from Wilson Heights United Church that volunteer at Fair Haven weekly and other friends that lived in the Seniors complex that will now finally be re developed. As a Senior I know how vital it is to have more affordable Senior's housing in this community and every area of Vancouver. I was born in Vancouver and have worked very hard in my life. Many Seniors are the same, they have worked and supported their community and we need to have an affordable decent place to live especially at this time in our lives.

Sincerely,  
Iris Platt
