### PETITION

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization. Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是爲了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會爲華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。爲了振興華埠，這種讓步應該鼓勵。

## PETITION

We the undersigned support the Rezoning Application plan for 105 Keefer Street. The proposed seniors centre and seniors housing units will add to the quality of life for hundreds of Chinatown area seniors, and are important new benefits for the entire Chinatown neighbourhood, along with the influx of residents who will stimulate business activities and help revitalize Chinatown

我們這封信的簽署人，支持奇化街 105 號大廈的更改土地用途申請計劃。建議中的耆英中心和耆英廉租單位，將會有助提高華埠地區千百耆英的生活質素。對於整個華埠社區，也是重要的新利益。還有將會搬入來的大批居民，亦會刺激商業活動和幫助華埠復甦。

Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是為了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會為華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。為了振興華埠，這種讓步應該鼓勵。

## PETITION

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization.

Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

### 支持華埠奇化街 105 號發展計劃

我們熱誠深信我們的溫哥華華埠(唐人街)，透過居住人口的增長，必然是一個有長遠性、持久性及可行性的成功社區。因此，我們熱心簽名支持奇化街壹零五號的現行發展計劃：多層住宅大樓，其中包含公共屋宇、耆英屋宇、社區設施和貯存空間及商業地舖。

### Support the Development of 105 Keefer Street

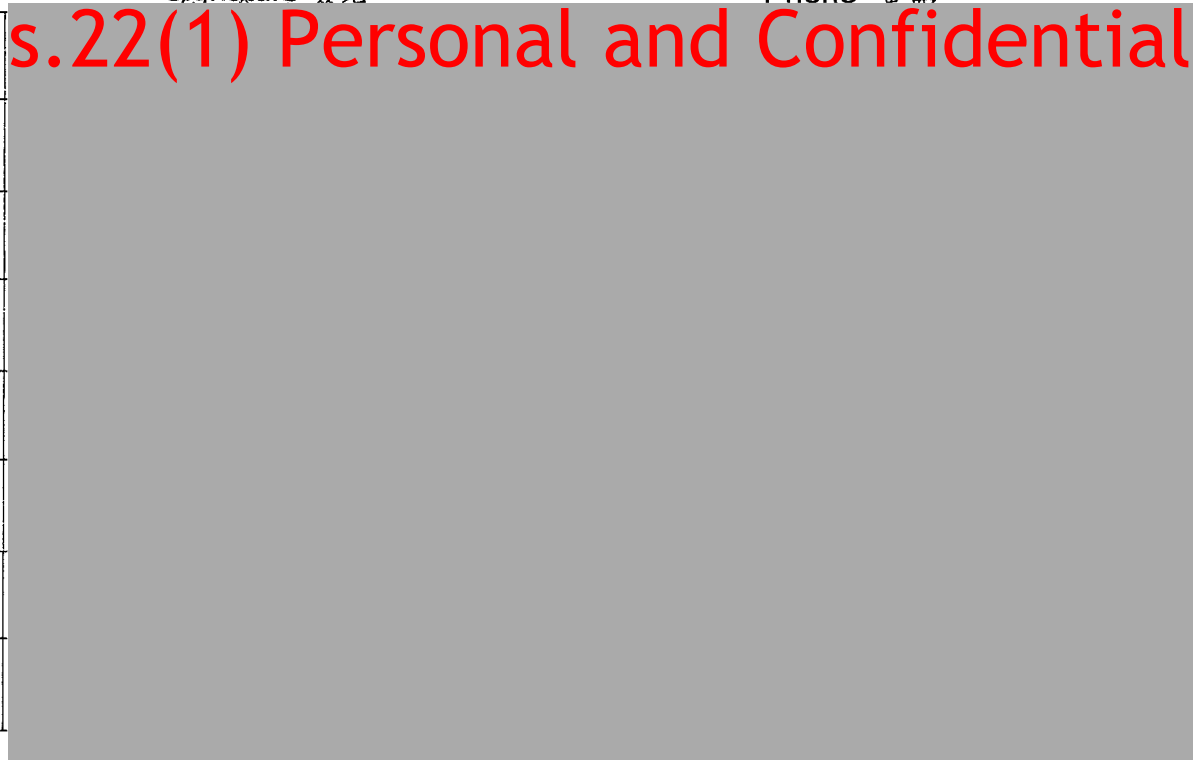

We the undersigned vehemently believe in the long-term sustainability and viability of our Vancouver Chinatown; that an increase of residential population would ensure the success of our community. We, therefore, enthusiastically support the development of 105 Keefer Street in its current proposed design: i.e. multiple floors of residential market housing integrated with social housing, senior housing, community facilities with storage areas and ground level commercial units.
