

## MOTION ON NOTICE

### 3. Reporting Data on Secondary Suites

MOVER: Councillor Carr

SECONDER:

#### WHEREAS

1. As of the 2016 census, the City of Vancouver had an estimated 30,125 secondary suites;
2. According to information provided to Council by City Staff, approximately 5,000 of these secondary suites are legal;
3. Anecdotally, some illegal secondary suites have been closed by City building inspectors.

#### THEREFORE BE IT RESOLVED

- A. THAT City Council direct staff to report back in spring of 2018 on the number of secondary suites that have been closed by City building inspectors in 2017.
- B. THAT City Council direct staff to include in Housing and Homelessness annual reports, the number of secondary suites that have been closed that year, the number of secondary suites that have been legalized and the number of legal secondary suites that are in long-term rental.
