SUBJECT: CD-1 Rezoning: 2075 W 12th Avenue

After finalizing the Policy Report dated October 31, 2017 entitled "CD-1 Rezoning: 2075 W 12th Avenue", staff noted an inconsistency in section 5 "Height" of the draft CD-1 By-law in Appendix A, versus how building height was described in the body of the report. The posted by-law for this item has been changed as shown below. Deleted text is greyed and struck-through; added text is underlined.

5. Building height, measured from base surface, must not exceed ~~19.4 m~~ 20.0 m.

No action is required by Council, as the bylaw posted for this item contains the above change.
