Good Evening,

I am writing you in regards to the upcoming public hearing for the above noted address tomorrow evening.

I am fully supportive of this project. I support additional rental options for our neighbourhood and believe both the design and overall concept for the site will be a welcome addition to our neighbourhood.

Regards,
David Major

Hello,

I'm just writing to voice support for the rezoning at 1715 Cook Street. Additional rental stock would have a benefit to the neighbourhood, and the density is not a concern as it seems to fit in the scale of the neighbourhood.

Best,
Michael Sengara

Subject: 1715 Cook St development

To whom it may concern,

I am a resident in the building s.22(1) Personal and Confidential and I am writing to you to express my full support in the development project of 1715 Cook Street. A rental building is certainly needed in that area to add vibrancy to the culture and neighbourhood at Olympic Village West neighbourhood. I'm also curious to see what may be developed across the street of north of 1st ave. A retail experience, community hub, and public outdoor space, similar to the Yaletown Roundhouse and neighbouring residential experience displays is something I would love to support if that is in the vision of neighbourhood plans.

Many thanks,

Sunny
