

CD-1 Amendments to enable Public Bike Share (PBS)

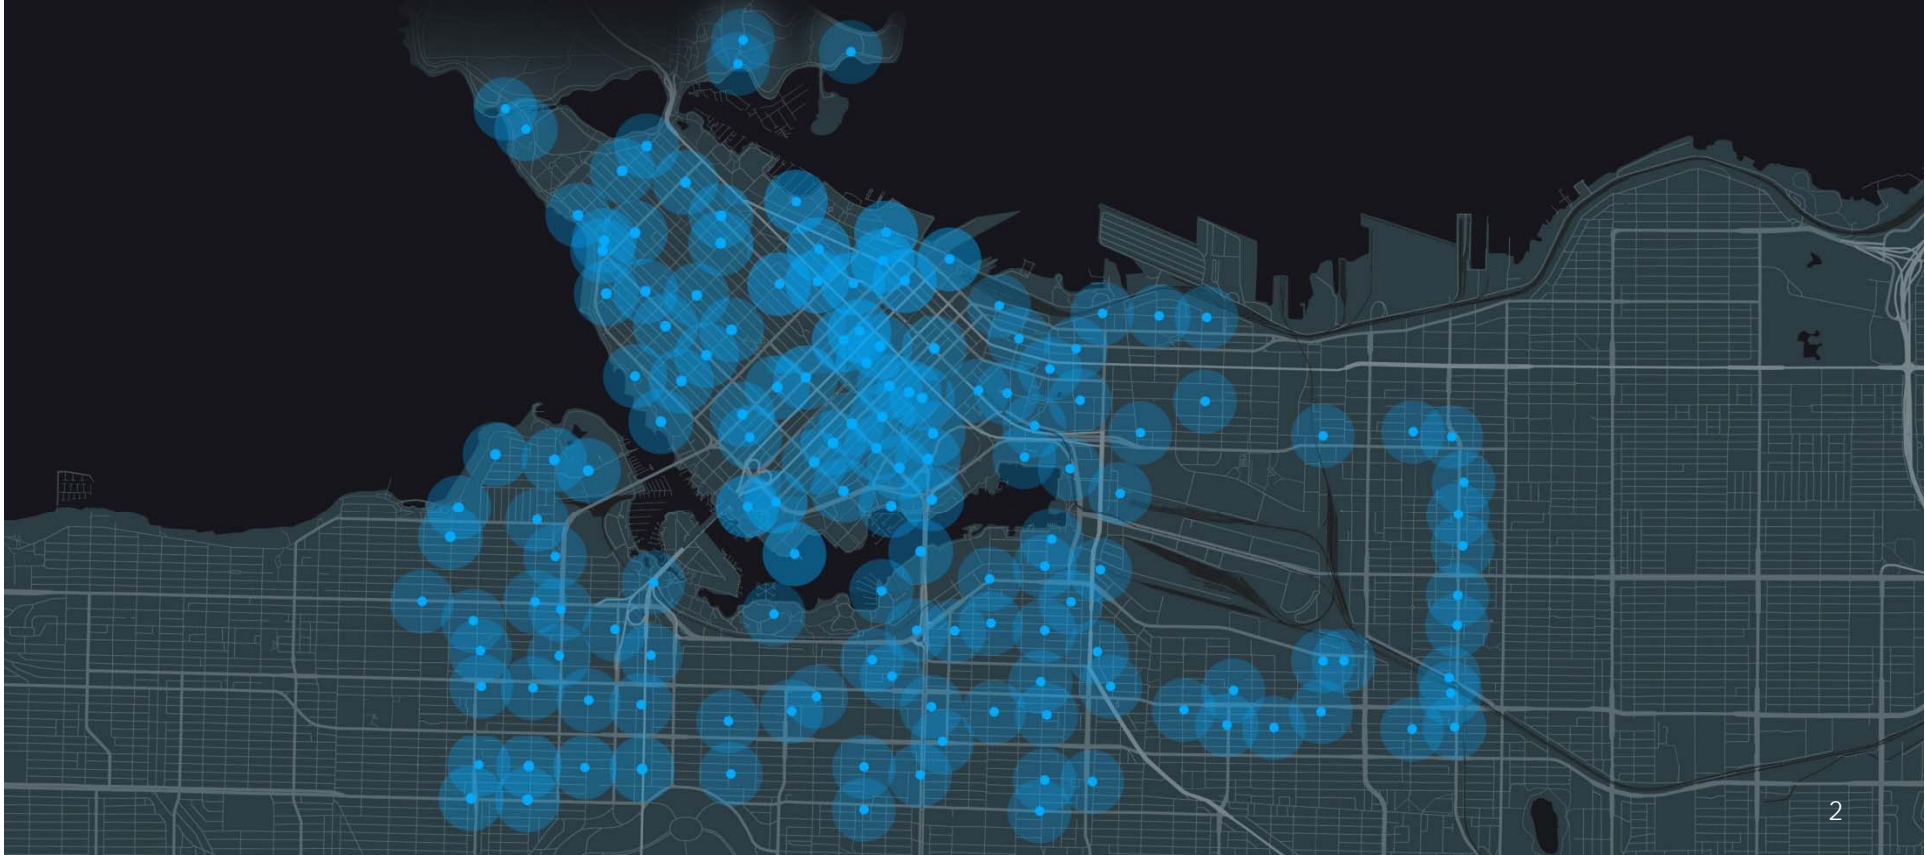

Public Hearing
June 5, 2018

Public Bike Share Background

900,000+ Rides
75,000+ Users

Phase I

Housekeeping, updating CD-1s to reflect recent developments on private land.

Phase II

Develop and bring forward for Council approval a set of Design Guidelines for PBS stations on private land.

Phase I - CD-1 Amendments to enable PBS

1. Amend 17 CD-1 By-laws to include Public Bike Share as a permitted use.
2. Amend Section 10.36.1 of the Zoning and Development By-law by adding 14 site locations to the PBS service area.
