Dear Vancouver City Council,

I am writing this e-mail in support of 4459 Rupert St. I am a property owner in Vancouver, millennial, and contribute to the community in a number of ways. I enjoy great design and this building is definitely a piece of art we need. I love that this building is also in following with the cities Greenest City ideals. I finally love that this project adds density and is in close proximity to some local art colleges. I think rental units are much needed and will provide a great mix of types of housing to the neighborhood. Please approve this project and I hope to see this project completed in the near future on a walk on Rupert. Thank you for your time.

P.S. I would love to see more of these projects around Vancouver to increase the housing options for young people.
