To Council,

I just wanted to let you know that I am very happy with the decision to develop a 29-storey building on 150 Robson street in Vancouver.

It will definitely be a bonus to this area.

I live across from this site at s.22(1) Personal and Confidential

Good luck with this proposal.

Best Regards,

Nataliya

My name is Peter Dobell and I have owned the warehouse at s.22(1) Personal and Confidential (same block as the subject) for 22 years. I am writing to express my gratitude and support for this project. The stunning contemporary tower and lower podium strike an interesting contrast to the old Northern Electric building facade that is being preserved. Well done and thank you.
