Subject: Support - June 26th Public Hearing - Agenda Item 4. REZONING: CD-1 Rezoning at 118-150 Robson Street and Heritage Designation of the Facades of the Northern Electric Company Building

s.22(1) Personal and Confidential

Hello Mr. Mayor and Members of City Council,

I am writing today to voice my support for the rezoning at 118 - 150 Robson Street and Heritage designation of the Facades of the Northern Electric Company Building.

I approve of the proposed form and massing, and appreciate the thoughtful retention of the heritage building. I believe it is a welcome addition to the stadium district, providing both homes and space for those that want to visit our city. I hope you can agree with me and approve this project.

Thank you for your time,

- Rebecca Hartley
