Mayor and Council,

I strongly support the rezoning at Hull & East 20th. Family-oriented secured rental units are exactly the "right supply" that Vancouver needs and this is a great location close to a large high quality park and the train. If the city is serious about accommodating young families and addressing the housing crisis, "no-brainers" like this need to be approved and expedited.

I believe that 83 underground parking spaces are more than adequate and am concerned that these will go under-used.

Thank you for your consideration,

Owen Brady
