Cambie Corridor Plan Team and Council:

***I want to register my support*** for the new townhouse zones - and specifically for the first phase of "prezoning" of proposed zoning districts to RM8A and RM-8AN.

City of Vancouver has a lack of family-appropriate townhomes - and the proposal for this district, with its proximity to excellent Transit, is sorely needed!

I also urge Council and Planning Departments to (if the Proposal is approved by Council) to approve Applications for this type of housing at an expedited pace!

Sincerely,

John Benetti

**Subject:** I support the new townhouse zones and first phase of rezoning in the Cambie Corridor

Dear Mayor and Council,

I would like to state my support for the new townhouse zones RM-8A and RM-8AN, and for the rezoning of the Cambie Corridor blocks identified in stage 1 of the planned utility upgrades. These amendments to the Zoning and Development Bylaw will bring much-needed improvement to family-oriented housing in Vancouver.

Thank you,

David Barwin
