I support the rezoning to the Arbutus Corridor to the north of Fir Street as described in the ODP Amendments.

Hello Mr. Ford,

Thank you for your comment in regards to the Arbutus Corridor ODP Amendments.

Can you please specify if you support or oppose the rezoning application? I believe a word is missing after "wholeheartedly".

Thank you kindly for clarifying.

Best,

I wholeheartedly with the proposal to eliminate the section from Fir to almost 1st Ave from the Arbutus Corridor Official Development Plan.

Pine Street can be upgraded to safely link the Arbutus Greenway to Granville Island and the south False Creek Greenway.
