Subject: Rezoning Application for 950 W 41st Ave (JCC)

We would like to express our support for the rezoning of 950 West 41st Avenue. We have been homeowners and residents of the Oakridge area for over 40 years. We use the facilities of the JCC regularly, at least 4-6 times per week.

The facilities at the Centre need to be updated and expanded to meet the needs of the growing population of this area. Increased densification means that more and more people from all walks of life will be making use of the JCC.

Sincerely
Bonnie and Allan Belzberg

Dear Mayor and Members of City Council

I have been a member of The JCC for over 28 years. I raised my children there using their program and services. I continue to use the facilities almost every day for many years and I love it. I am very excited about the redevelopment that will bring many necessary activities and services for all the communities in the area. I am also excited about the rental component that will enable my adult children and me and my spouse to continue to live in the area. I live in the Cambie Corridor and I am thrilled with all the changes.

I strongly support this project.

Best regards,
Yair

Subject: Rezoning Project JCC (950 West 41 Avenue) Sept. 5 Hearing

To the Mayor and Vancouver City Council:

Our family has been a daily user of the cultural, educational and recreational facilities of the JCC for the past 24 years, since we moved to Vancouver. Already in 1994, these facilities were used 18 hours per day by members and visitors. The facilities are well used by all age groups and diverse groups in the larger Vancouver community.

The proposed rezoning plan will significantly expand the capacity of the site and meet current and anticipated future facility needs of the community for a number of years. We strongly favor this revised flexible plan and recommend that the Mayor and the Vancouver City Council approve the proposed rezoning plan.

Very truly yours,

Robert and Elke Mermelstein

I was born and raised in Vancouver and throughout my life I have enjoyed the facilities at the JCC. From the pool to meeting rooms, to the gym, the Teen Lounge, and the canasta table. Our JCC is very popular, with Jews and non-Jews, and running out of room. The Louis Brier home cannot possibly cope with the number of people needing it.

This rebuilding and enlarging of our centre is totally necessary to be able to continue and expand the wonderful range of activities and facilities to ensure the Lower Mainland Jewish (and non-Jewish) community moves into the future to provide and fulfill our needs.
