Subject: JCC Rezoning - 950 West 41 Avenue

Hi, I would like to submit my feedback about the JCC Rezoning.

Where the current JCC stands is very valuable land. It is an aging building and is bursting at the seams with all the activity occurring in every corner. It is filled with the young and old. I would love to see the JCC grow to fulfill the needs of the community with not only a place to go, but one that can be a home for hundreds of people.
