

To City Clerk's Office, & Mayor and ALL MEMBERS of Council
Sept 18/2018

How My Name is Richard Nantel and I am
Speaker #50 on today's Agenda Item #6, as well as
Speaker #41 on Agenda Item #5. I also had sent
to an email opposition to both rezoning initiatives
being imposed on our Vancouver residential neighbour-
hoods yesterday evening.

Since that email, I took the information package,
that was presented to the public at a mere four
information sites, and presented it to my neighbours
along the 7700 block of Muirfield Drive in Southeast
Vancouver, to ask them two basic questions:

(#1) Have you heard about or know about the City's
"making room" rezoning proposal that they
are planning to impose on all of Vancouver's
residential neighbourhoods at a public
hearing on Tuesday Sept. 18/2018??

(#2) Are you in favour or opposition to the
rezoning initiatives being proposed?

In conclusion, only 1 other resident besides myself
had heard about the proposals and the public
hearing this evening.

Additionally, 100% of all my neighbours on my block,
save two residents that were not home at one

II

THE TIME SPENDING OPPOSE WHAT IS BEING PROPOSED AS WELL AS, THE MANNER IN WHICH IT IS BEING DONE. INSUFFICIENT CONSULTATION, UNDESIRABILITY OF HOUSING FORM, AND EFFECTS ON ROAD ASSESSMENTS WERE THE BIGGEST CONCERNS AND OBJECTIONS.

PLEASE ADD THEIR NAMES AND OPPOSITION TO COUNCIL'S CONSIDERATION OF THESE PROPOSALS THIS EVENING.

REGARDS,

We the undersigned Property Owners Oppose the Sept 18/2018
Zoning Initiative being imposed by City Council,
regarding the city-wide rezoning of all R zones
to allow for 2 strata owned duplex units with 2 secondary
suites or lock-off units - with waived onsite parking
requirements.
