

B.9

MOTION ON NOTICE

9. Restoring Line-by-Line Budgets for the City of Vancouver

MOVER: Councillor Hardwick

SECONDER: Councillor Fry

WHEREAS

1. Until 2008, the City of Vancouver historically provided line-by-line itemized annual capital and operating budgets, but has not provided line-by-line operating budgets since then;
2. There have been requests by the public for more transparency in the City of Vancouver's finances since line-by-line budgets have not been provided as standard practice for a decade.

THEREFORE BE IT RESOLVED THAT

- A. The City of Vancouver continue to provide the public with line-by-line itemized capital budgets as it has been and, starting with the 2019 operating budget, publicly provide annual line-by-line itemized operating budgets.
- B. The City of Vancouver provide the 2018 operating budget in line-by-line itemized format to the public for reference in the 2019 operating budget process.
- C. The City of Vancouver provide 2008 to 2017 operating budgets in line-by-line itemized format to the public for reference, also for the 2019 operating budget process.
