Dear Mayor and Council;

[REDACTED] s.22(1) Personal and Confidential"

2. In regards to the "REZONING: 1906-1918 West 4th Avenue" to be heard at the Public Hearing on the 12th, I realize it's likely to late to lower the rents for this development. However, again, these are not "affordable" rents and should not be falsely advertised as such. If anything can be done to improve this deal, it would be wonderful, and a start in the right direction - making Vancouver housing affordable again.

Many thanks,
Elvira
