Subject: Comments regarding 1636 Clark Drive and 1321-1395 East 1st Avenue

To whom it may concern:

This email is about 1636 Clark Drive and 1321-1395 East 1st Avenue, which I neither support nor oppose. The project is close to my home in Mt. Pleasant.

I urge you to ignore any and all emails from "Abundant Housing Vancouver." They are blindly pro-development and like to encourage people who live nowhere near a project to support it without knowing any facts about the proposal or the neighbourhood it will be in. Almost certainly, "Abundant Housing Vancouver" is funded by and was founded by construction companies and real-estate developers - two groups who have held far too much sway over Vancouver City hall for far too long.
