To whom it may concern,

I strongly oppose the zone changing from one-family-dwelling to multiple dwelling in the listed location: 976 West 52nd Avenue and 6822-6868 Oak Street. As a family who lived more than 10 years in this neighbourhood, it is a quiet, less population and traffic location. Since there are lots of apartments or townhouses were built in Marpole location, I strongly oppose the change of zoning happen in South Granville location. Besides, I have a big concern in parking, this would highly affect our local parking from the sudden increase of population from the rowhouses or townhouses.

Thanks for your kind attention!

Yours sincerely,
Kat
