Dear city councillor Jean Swanson
Knowing how busy and dedicated
you are, I am wondering if you had
time to drive by Main 133 Ave
and consider how a midrise
on Quebec 133 Ave will mar
and uglify a beautiful gateway
to Q.E. Park. (Decision May 14)
with warmest regards
M. Werner

2014 marks 100 years since the name "Squamish" was adopted, the original townsite of Squamish was completed, and provincial legislation was passed to pave the way for the town's incorporation which was achieved in 1948. It also marks 50 years ago since the amalgamation of the Village of Squamish with Mamquam and Brackendale into a newly re-incorporated "District" of Squamish.
