Subject: Support 4575 Granville Rental Development

Hi there,

I support the development of 4575 Granville because it is a badly needed rental in a neighborhood that won't be displacing cheaper rentals. This Sort of development should be a slam dunk because it's being done in an area that excludes 99% of the population . While rents are higher at least there will be less competition for an already dwindling affordable supply.

Best

Mike

To the relevant persons at the City of Vancouver,

I am writing regarding my support for 4575 Granville Street. I have friends and family who live nearby, and I want the best for them.

Council should approve the project because of the following reasons:

- I want my friends and family to be able to live in Shaughnessy, and they won't be able to do that if there aren't enough homes
- This project will make Shaughnessy a more vibrant, exciting neighbourhood
- We desperately need more rental homes in Vancouver
- Shaughnessy should not be reserved for the ultra-rich

There are some things that could be improved:

- I'm disappointed that the project doesn't have even more units
- The project could have more family-friendly units
- The land should already be zoned to allow homes like this, no rezoning required

I urge you to approve this project.

Sincerely yours,

Brad Cavanagh
